

I. READING

Stefan is 12 and he comes from Germany. He goes to Summerhill School in the east of England. Students come from all over the world to Summerhill School and they can choose the lessons they want to go to. Only about half of the pupils are British. Stefan starts classes at nine and finishes at half past three. He loves science and languages. There are always a lot of interesting things to do in the afternoons. Stefan loves sports and often swims.

Shizu is 16 and she comes from Japan. She started Summerhill School when she was nine. In Japan, the school rules are very strict and students can't change them. But at Summerhill, they decide what classes they want to go to. Shizu has a lot of friends. She doesn't live with her family so her friends are very important. She studies drama and music. She plays the piano and sings and she wants to be an actor when she leaves Summerhill.

Tony is 13. His school is called Eton College and it's near London. It's Prince William's old school. Tony is a boarder - that means he lives at the school. He usually goes home in the holidays. Tony always gets up at a quarter past seven. Lessons start at nine and finish at five. He always wears a school uniform. Dinner is at half past seven. After dinner, Tony tidies his room and does his homework. He usually goes to bed at half past nine.
